

## OU/TEXAS AND AWAY GAME POLICIES

All student season ticket holders are eligible for away games. Only Category I students are eligible for Texas tickets. Category II students are students who are new to OU for the Fall 2009 semester (Freshmen, Graduate, and Transfer students) and requested and received tickets during the August sale. Category I students are returning students who were enrolled full-time during the Spring 2009 semester and purchased season tickets during the Spring sale dates of April 27 - May 15. Full-time students from the Spring 2009 semester who purchased after the May 15 deadline are not eligible for OU/Texas tickets but are eligible to purchase other away game tickets.

Because of the overwhelming success of online student season ticket purchases, both Texas and away game tickets will be sold **ONLINE FIRST**.
